Summerhouse completion

We are delighted to inform you that the work on the summerhouse is finally completed. The summerhouse was kindly donated by the PTA in order to offer more teaching space for the school. The 100 club has generously paid for the lighting and heating so it can be used throughout the year.

The Emeralds and Sapphires

The Emeralds and Sapphires had the pleasure of being invited to Helston Community College to take part in sports activities led by year 10 sports leaders. The children thought the activities were lots of fun and energetic! They played stuck in the mud, traffic lights and worked on their football, netball and running skills. A big thank you to the year 10 sports leaders at Helston Community College.

Godolphin Woods

Emeralds recently spent a lovely day in the woods learning about trees and how to identify them, collecting cones for the Bare Foot Trail and checking on the progress of the saplings planted earlier in the year. The day concluded with a wonderful sensory experience on the Bare Foot Trail.

Menu change

Thursday 17th May School Census Day

Battered fish or cheese and tomato
Chips peas & salad
Ice cream
