Dear Parents and Carers,

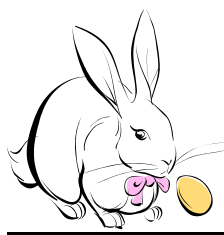

Well here we are at the end of another successful and busy term. All children and staff have been working hard and we have all enjoyed the many exciting learning opportunities and extra-curricular activities. Next term will also be busy with trips, camps and sports day.

I hope you have a wonderful Easter holiday and have lots of fun and time to relax with your family. I look forward to welcoming you back to school on Monday 16h April when we will begin the new summer term. Thank you for your continued support.

Happy Easter and Best wishes,

Mrs Lucy Wandless

Executive Headteacher

### Ambulance visit

To conclude our work on the rescue services, Emerald class were very fortunate to have a visit from Mr. Rigg and his ambulance. The children were shown all around the ambulance and got a lift up into the ambulance on the ramp. We managed to squeeze all 22 children into the ambulance at the same time! Emeralds would like to say a big thank you to Mr. Rigg for giving up his time to tell the children about his work.

*Next half term our topic will be all about plants.*

### Emerald Class

PE kits and wellies are being sent home for the holiday. Please could parents wash, check for sizing and **make sure everything is named** before sending back into school. Thank you.

### Nits

Please be aware we have an outbreak of nits in school. You are advised to check your child's hair every night. Your pharmacist will be able to advise you further.

### Science Day

Science Day was a huge success! The day was filled with fun, practical activities focusing on discovery and exploration. The children took part in all the activities with lots of enthusiasm and a positive attitude. The children were in mixed key stage groups. There were investigations ranging from bird and bug habitats, Lego bridge building and a forces activity. We are hoping to make this an annual event to celebrate British science week and the progress made in our science lessons.

### Climbing frame and adventure play equipment

For the safety of our pupils, please can we remind parents that the large wooden climbing frame is only suitable for children in Key Stage 2 (Year 3 upwards).

The low level equipment is appropriate for younger pupils, but the children must be closely supervised at all times.

We would also like to remind everyone about the school's rule of not running around in the playground before the bell rings at 8.55 in the morning. Please

understand, this decision has been made with the safety of the children in mind.

Thank you for your support

### Diary Dates

Thursday 29th March End of term

Monday 16<sup>th</sup> April First day of summer term

Year 6 SATs testing in school

Monday 14<sup>th</sup> May – Thursday 17<sup>th</sup> May
