Dear Parent/Carers,

Another successful year draws to a close. It is amazing how much has been achieved by the children, staff, parents and governors in one year. The achievements extend from the academic, to the sporting and the creative arts and to the numerous fun and exciting learning opportunities the children have experienced.

It is with great sadness that we are saying farewell to Mrs. Hughes and Mrs. Buckley today. They have both made an amazing contribution during the many years they have worked at Godolphin Primary School. We wish them well and hope they come back to visit us.

I would like to take this opportunity to thank all staff and governors for all of their hard work and dedication to the school and to the pupils for their enthusiastic and positive approach towards their learning. In addition, a big thank you goes to our PTA for all of their fundraising this year.

Finally, I would like to thank you all for your continued support. On behalf of the staff and governors, we wish you all a very safe and hopefully a sunny summer holiday.

Executive headteacher

Surprise from the skies!

The whole school, including the Little Dolphins, were treated to a spectacular surprise in the last week of term – a visit from a Royal Navy Sea King helicopter!!!

To the sheer amazement and delight of the crowd, the chopper circled the village several times before elegantly landing in the middle of the school field.

With the helicopter secured firmly to the ground, the children were allowed on board to explore inside. Some children tried on the helmets and jackets, and the Year 6 pupils were even invited to sit inside the cockpit.

With the Sea Kings being retired from the Royal Navy after nearly 50 years of service, this was a unique and memorable experience for our pupils which they can look back on in years to come. Who knows, it may even inspire some them to learn to fly a helicopter or join the armed forces themselves one day!

The school would like to say an enormous 'thank you' to RNAS Culdrose for coordinating the event, and in particular, the crew members who were so friendly and helpful, making the day such a special occasion.

100 Club

This year 100 Club has paid for electricity to be installed in to the summerhouse, electric socket, lights and heater. This has enable the summerhouse to be used all year round .

Thank you for your continued support. If anyone is interested in having a number, second number or if family or friends would like a number please speak with Pam Forrester.
