Open afternoon and work celebration
We had a lovely end to our day last Wednesday with parents joining us to see a variety of learning activities across the school and to look at the children's work and displays. The children thoroughly enjoyed showing their work and explaining what we do in class. We hope everyone who came enjoyed the afternoon.

Zircon trip to Truro museum.

On Wednesday the Y5/6 had an enjoyable and informative trip to Truro museum for an Ancient Egyptian workshop.

They handled 3000 year old artefacts, drew on papyrus, visited the real

Egyptian mummy then dressed up and acted out the "Weighing of the Heart" ceremony. The curators at the museum were impressed by the children's knowledge, enthusiasm and behaviour. Well done Zircons!

Mowzer Workshop

Children enjoyed a busy time exploring the story of the Mousehole Cat. They sang, made paper fish, danced and listened to the story. The children had a wonderful time!

The Zircons will also have an opportunity to enjoy this workshop next week.

We would like to thank the PTA for supplying the funds allowing this activity to take place.

Children in Need

For this year's Children in Need, we decided to ramble round Godolphin and hold our very own duck races in the woods. 200 cute plastic ducks were sold and sorted into seven different races – one for each class, one for the Little Dolphins, one for staff and an open race for parents, families and friends. In perfect weather, the whole school assembled near a carefully selected stream while the final preparations were made. To the delight of the children, the highly anticipated races then commenced... Pupils cheered, screamed and clapped as their ducks embarked on the steady drift down the stream, under the bridge and towards the finish line. Back at school, prizes were awarded to the winning ducks in assembly. The final total raised for Children in Need was also announced – a staggering **£202!**

We would like to say an enormous 'thank you' to everyone who supported this memorable fundraising event and made it such an overwhelming success!

Cross-country

A small group of seven Godolphin runners recently competed in the Cornwall Cross Country Championships held at Newquay Sports Centre. Running in the Under 11 development races, the pupils were up against some of the best primary aged runners from Cornwall and Devon. All seven Godolphin athletes finished the challenging 1800m course in very respectable positions, with the boy's team finishing 3rd overall in the team competition against all of the other schools and clubs in the county that had entered. Well done to Jolie, Jack, Alex, Archie, Lucas, Elijah and Harry for demonstrating such enthusiasm and determination, and making the school feel very proud!
