Dear Parents and Carers,

As we come to the end of this very unusual and challenging school year I want to thank you for all of your support over the last four months. The word unprecedented has been used throughout this time and it is difficult to not keep using it! We had no idea what to expect when the school first closed, but the effort of pupils, the quality of the work and the support of families has been overwhelming. As a profession, school staff have adapted to a new way of working and the success of so many is testament to their hard work.

I hope that you all manage to have a restful and fun summer and I look forward to welcoming all of the children back in September.

Take care and stay safe.

Lucy

Websites of the Week:

Summer Reading Challenge:

As mentioned previously, the annual Summer Reading Challenge will still take place this year. The challenge for children aged 4-12 to read six books over the Summer will be a little different. You can find out more details about this year's digital challenge [here](#)

To help children get free access to reading material, Cornwall Library Service have provided each child in the school with an electronic library card number. This will allow them free access to e-books and e-audiobooks through the Borrowbox library app. There are no overdue charges, no loan charges, it is completely free! Emails were sent out today with your child's e-library card number.

[Wellbeing Support](#) - don't forget we have collated a range of websites offering wellbeing advice and support (click this link or see the document on school website under 'Latest News')
