### Stithians Year 6 Leavers' Water-Sports Day:

On Tuesday, as a reward for all their outstanding work achieved during their time at Godolphin, the year 6s were treated to an action-packed day at Stithians Lake taking part in wind-surfing and raft building sessions.

Pupils thoroughly enjoyed the activities. They were all successful at standing, turning and sailing on the wind-surf boards, and learnt some handy raft-building skills.

However, the highlight for the children was definitely swimming around in the refreshing lake water on one of the hottest days of the year. And of course, the ice-creams at the end of the day!

Huge thanks for Mrs Foden for helping to supervise the group on this trip. Thanks also to the other parents who came along to support the children in their activities.

### Diamond Class Beach Visit:

The Diamond Class shall be visiting Praa Sands beach on Thursday morning to identify features of coasts and the effects of erosion, as the conclusion to our learning about rivers. Please check your child's book bag for the consent form and return it to school for Tuesday 19<sup>th</sup> July 2022. Thank you!
