Dear Parents and Carers,

Hopefully you will have all received the letter sent out today to all parents from Donna Bryant, Executive Leader of the Trust, about the full opening of schools in September.

I'm sure you still have some further questions and concerns, but please be assured we will continue to balance and minimise the risks from COVID-19, whilst providing a full educational experience for children as best as we can.

We accept it might not be exactly as it was before, but we will do our best to offer as much as possible to the children within the parameters of keeping the children and staff safe and providing a good education.

Once again, thank you for your ongoing patience and support. If you have any questions or concerns please feel free to contact me or your child's class teacher.

Please continue to stay safe and take care.

Thinking of you all,

Lucy Wandless

Sunflower Competition

Don't forget, please send a photograph (with evidence of the height of your sunflower) to us by **Friday 10th July**. This will give us time to announce the winner before the end of term!

In other news:

Spellings:

Don't forget to check your spellings for the term (under *Home Learning* on the website). Please try and practise these each week.

Words of the Week!

- choppy
- gargantuan
- commotion
- blundering
- expressive

Happy Birthday!

Happy Birthday to all our children who have had a birthday this week. We hope you had a great day and look forward to celebrating with you soon!

Wellbeing Support - don't forget we have collated a range of websites offering wellbeing advice and support (click this link or see the document on school website under '*Latest News*').

Pupils' Work:

We will now continue to share pupils' work (both from those children back in school and those still learning at home) in our weekly round-up on a Friday. This will be uploaded each week on our website - [click here](#) to see what everyone has been up to.

Oak National Academy (accessing online lessons):

Just a reminder that you can access the online lessons (including the videos) through a SMART TV and gaming devices (including Xbox and PlayStation). We hope this means that more children will be able to take advantage of these highly recommended lessons.

Maths challenge of the week:

Make 200

1 2 3 4 5 6 7 8 9

Choose four of these digits.
Each one must be different.
Put one digit in each box.

This makes two 2-digit numbers reading across
and two 2-digit numbers reading down.
Add up all four of the numbers.

In this example the total is 100.

1	2
4	7

$12 + 47 + 14 + 27 = 100$

How many different ways of making 200 can you find?

Email your correct answers to Mrs Thomas (secretary@godolphin.cornwall.sch.uk) and we will share the names of those who successfully complete the challenges next week.

Good luck!

Primary Times

Normally as this time of the term we send out a copy of *Primary Times*. This obviously cannot happen at the current time, so *Primary Times* have put together an online newsletter with links to all the virtual things for children to do and learn.

Please visit [Primary Times](#) to sign-up for and view their newsletter.

Maths challenge answers:

Well done again to Harriet and also Piran and Aaron for successfully completing the maths challenge set last week. Their answers are below:
