Dear Parents and Carers,

It has been very pleasing to see and hear all the learning that has been taking place this week via our Google Classrooms. I have thoroughly enjoyed being able to take part in some of the Google Class Meets and see the children and listen first-hand to the work you are all doing. I even had the opportunity to read a story to some of the children in the Emeralds Class.

I'm delighted that every child has engaged this week in the remote learning and accessed the Google Classroom platform which is brilliant. A huge thank you to all our parents and carers who have persevered with the technology to help and support their children.

I've also been very impressed with the enthusiasm and dedication of the children who have been in school this week too. They have been working very hard, and engaged with all the work being set in the Google Classrooms.

Finally, I would like to take the opportunity to thank all teachers and staff for their hard work and dedication in adapting their planning and processes so quickly. A curriculum-focused and varied online learning experience has been provided for all the children, both those coming into school and those learning at home.

As always, if you have any concerns or questions please do not hesitate to contact myself or another member of staff.

Take care, Lucy Wandless.

Reminder for those children in school:

As happened in the last lockdown, both the provision of milk and fruit have been suspended. So please ensure your child comes into school with their own filled water bottle each day and a snack.

Currently it is also not necessary to bring book bags into school.

Remote Learning & Google Meets:

A reminder that there are daily Google Meets taking place for each class. However, there will be no meeting taking place on a Friday afternoon to give the class teachers time to prepare for the following week.

If you require any support, or if you cannot attend any of these meetings, please contact your child's teacher.

Remote learning timetables for each year group have been uploaded onto the website. Please see: 'Our Classes/ Remote Learning/Class'.

Further remote learning website links and resources will be uploaded as and when required. They will also be shared in the pupils' Google Classrooms.

Parent Pay:

A polite reminder to all our parents that there are a number of outstanding payments for school lunches and breakfast club from last term.

Could we ask that you sign into your account and check your balances, and make any payments necessary?

If you have any questions or queries, please get in touch.
