Zircon Class Update:

Following the rare sighting of two killer whales at Porthcurno last week, the class decided to mark the occasion by creating some incredible artwork.

First, we carried out some research, studying the shape, colour, texture and features of these majestic mammals. We then discussed how we could create our own pictures using paint, adding sand and PVA for texture.

As you can see from the picture below, the children certainly achieved the objectives of the lesson with this eye-catching masterpiece for all to enjoy.

Emerald Class Update:

The children in Emeralds have had a very busy week. Their learning has focussed on finding out more about the continents and oceans as well as thinking about and creating their own Aboriginal Art.

In Maths Reception have been learning how to use money in their shop, 'Godolphin Stores' and also practising their writing in their new phonics books. Year 1/2 have been continuing their work on addition and subtraction but also finding out about fractions (halves and quarters). They have also been learning about adjectives and have been using these words to describe their favourite villain in Fairy Tales, creating some super 'Wanted' posters.
