The Big Ask:

Just a reminder about The Children's Commissioner survey: The Big Ask. We encourage all children/ parents to take part in this exciting review.

A letter was sent to you last week with details about how to access the survey.

Dates for your diary:

Wednesday 26th May: Intra-school cross country (all year groups).

May half-term: Monday 31st May – Friday 4th June

Thursday 17th June: Reception children: Vision Testing

Thursday 1st July: Whole class photographs

Friday 16th July: Y6 Leavers' Water Sports Day (Stithians Lake)

Tuesday 20th July (PM): Y6 Leavers' Assembly

Inset Days: 22nd & 23rd July

Shock Tactics Workshop:

The children in year 4, 5 and 6 took part in a Western Power zoom workshop focusing on electrical safety.

The children were engaged in the entertaining presentation and learnt lots of useful information on how to keep safe around substations and derelict buildings.

The main points the children identified from the session were:
"105 stay alive" and "look out, look up and stay out."

Emerald Class Highlights:

"I was so inspired that I want to go to the moon." (Amelie Y1) (after learning about Neil Armstrong)

"I liked doing the patterns in our Aboriginal art." (Keeley Y1)

"We have been learning about Neil Armstrong. He was the first man to be on the moon. He said 'One small step for man, one giant leap for mankind.'" (Samuel Y1)

The Reception children saw a beautiful woodpecker in the Emerald Class garden - they were astonished! "I liked it when me and my friends worked together to make a woodpeckers nest." (Erica Y1)

"I like RM Easimaths because it helps you to get smart!" (Lena Y1)

"I love Maths because I love numbers!" (Nellie Y2)

Diamond Class Highlights:

"I have liked learning about how to use the possessive apostrophe in our English work. It was quite tricky to start but I think I have more of an idea than I did before." (Mia Y3)

"I loved creating a film strip for the Vanishing Rainforest story, it was a fun way to plan out our story." (Elowen Y2)

"We have been learning about deforestation and the threats to the rainforest." (Bren Y3)

"Maia and I have written letters to the G7 leaders to persuade them to look after the rainforests before they become "Once upon a time." (Willow Y3)

"When we were learning about pitch and frequency, we made straw kazoos. We made them have a different pitch by changing the length of the straw. My lips were fizzing from the vibrations and we all got the giggles!" (Isla Y2)

Cross Country reminder:

The next intra-school cross country competition (for all pupils) will be taking place next Wednesday (26th May), so please remember to come into school dressed in appropriate PE clothes.
